Are You Registered for the Tournament?

The annual Ritter Martial Arts Tournament is kind of a big deal around here and we want each and every Ritter's student to be a part of it.

If your student is not yet registered to compete, make sure you do that TODAY. There are events for all age groups and levels of experience. This is also an "All hands on deck" event for parents. We need the help of each and every one of you in order to make this day a success for the athletes and for the dojo. There are volunteer positions available for set-up, registration, score-keeping, and tear down.

Volunteers receive free admission as well as a t-shirt and lunch provided. This is our biggest event of the year and we hope he see every one of you there!
